

Product Safety Recall

Play Wild – Nature Craft Projects for Tamariki

Children's Paperback Book ISBN 9781776891016

Published 1 April 2024

Defect: The author has incorrectly identified 'vegetable flowers' as part of a list of edible flowers featured on page 46 of the book.

Hazard: Edible plants from the nightshade family, which includes potatoes, tomatoes, capsicums, aubergines and chillies, cannot be eaten as they contain glycoalkaloids that can be toxic to humans if ingested high concentrations.

What to do: Paper Plus customers with proof of purchase are advised to return the book to store for a full refund. If you suspect someone has recently ingested glycoalkaloids contact The National Poison Centre 24-hour freephone 0800 764 766
